EXCEEDED ALL EXPECTATIONS

EVERYTHING WENT SO SMOOTHLY

Cleverchefs catered our wedding in July at Kingscote Barn and presented us with the most beautiful food ever, which we are still receiving compliments about 2 months later! Picking our food with Roxanne was amazing, and she presented us with lots of different options and pictures and even amended one of their canapés to suit our wedding.

Nick was brilliant in correspondence and let us use their lovely rustic sweet cart for our wedding, which everyone loved! The food was incredible to eat on the day, we had our own newlywed canapé board, which the staff put aside for us as we had no time to eat them after the ceremony as we were too busy taking photographs! **Everything went so smoothly** and we cannot thank you enough. Thank you for creating the most non-boring wedding food for us!

Mr & Mrs Rhodes-Smith.

Wow wow wow where do I even start. Clever Chefs were incredible from the beginning...communicative, helpful, patient. I changed my mind about what to include during our day so many times and they were so understanding and helpful. From the very start they made us feel at ease and excited for the food on our wedding day. When the day finally arrived they **exceeded ALL expectations**. The team made us feel so special and like they would bend over backwards to do anything for us. I got teary thanking them at the end of the day because they really made the whole day even more special. All you had to do was make eye contact with someone and they'd be over asking what you needed. So friendly and I felt like they were genuinely invested in us as a couple and our special day. Now, the food. Clever Chefs made helps accommodate our wishes of having a full vegan day and BOY did they deliver. The food was out of this world and they never made us feel like we were being difficult. They took on our suggestions for dishes and made the most beautiful menu.

I lost count of how many times guests came up to us and told us how gorgeous the food was. We had pizza for the evening food and my only regret is that I didn't eat more! But I was so satisfied after the wedding meal I just couldn't fit more pizza in!! They also catered for various allergies which made those guests say they have never felt so catered for or enjoyed the food so much at a wedding. If Clever Chefs are an option for your wedding day LOOK. NO. FURTHER. I can't imagine what else you would need, and the most lovely staff to top it all off. Thank you so much.
